

## Tracksolid Manual You should have

Jimi loTJimi loT2019-07-25

In order to get you the perfect user experience of our Tracksolid platform, please read this manual before use.

The steps to use the Trackolid GPS tracking system:

1. Open https://www.tracksolid.com. Enter the registered username and password. The initial default password before changing is: 888888.

Cast Cast			
	Track solid		Lownload on the
• •	L Account	0	App Store
	Remember me     Forgot password?		
	English → Demo » Login	•	

2. Enter the main page. You will be required to change the default password at the first-time logging and adopt a new password that is more complex. After that, please log in again.
